Feba *Prayer Focus* November 2026

Feba UK is a Christian mission agency focused on the creative use of radio and other audio media to inspire people to follow Jesus Christ. We work with partners across Africa, Asia and the Middle East with a particular focus on contexts that are 'closed' or where it is difficult to be a Christian.

Meet and pray with our partners

Our next monthly online prayer meeting will be on **Wednesday 4th November at 7.00pm.**
We look forward to welcoming our partner, *Iraq FM*, who will share how God is using their radio ministry to bring the love and hope of Jesus to those whose lives have been affected by years of conflict and division.

Please do join us! You'll find all the information you need at www.feba.org.uk/**prayermeeting**

1 – 7 November: Iraq

***Iraq FM* produces community-focused programmes that address the everyday challenges faced by its listeners. Through practical advice shared from a Christian perspective, the station helps to build understanding between people of different faiths. Whether offering guidance on family life or insights from the Bible, *Iraq FM* is strengthening communities and seeing people come to faith in Christ through the transforming power of the gospel.**

Sunday 1 November

Feba's Middle East Coordinator Paul works with *Iraq FM* and is based in Lebanon. He has asked for prayer following a tragic bomb explosion in August that targeted a minibus near Damascus, leaving many civilians severely injured. He says, "Among those hurt in the blast were my wife's two female cousins and one of their young daughters. They suffered severe, traumatic injuries, including broken legs, extensive burns and blown eardrums. We visited them last month to offer our support, help care for them, and pray over them". Please pray for their complete physical healing, and for God's comfort, strength and peace throughout their recovery. Psalm 147:3

Monday 2 November

ANSWERED PRAYER! Praise God that the team at *Iraq FM* has been able to disciple several people through online Bible studies this year. The team says that they are continuing to follow Jesus and are putting His teachings into practice. Please pray for God's wisdom and protection over those leading these Bible studies, and pray that these new disciples will continue to grow in their faith and be willing to share the good news of Jesus with others.
Colossians 2:6-7

Tuesday 3 November

Please pray for Sami* and his wife Zara*. Sami listens to *Iraq FM* and has become a follower of Jesus. He longs for Zara to come to know Jesus as her Lord and Saviour. Pray that God will answer his prayers, touch Zara's heart, and reveal His love and truth to her. Acts 16:31

Wednesday 4 November

ANSWERED PRAYER! We thank God for answering prayers for Brother Zahid* and his family. Zahid came to faith through *Iraq FM*'s ministry and completed a year of discipleship training. His wife and two daughters have now also come to faith in Jesus. Praise God for this wonderful testimony! Please pray for God's protection over the whole family as they seek to follow Christ in challenging circumstances, and that He will strengthen their faith and witness as they continue their journey as His disciples. Psalm 126:3

Please join us at our online prayer meeting at 7pm this evening

Thursday 5 November

One of *Iraq FM*'s radio presenters is stepping down at the end of the year due to other work commitments. Please pray that God will guide the team as they seek the right person to serve in this important role. Also pray for radio presenter Sister Salamah*, who is expecting a baby. Ask God to protect her and her baby and bless them with good health throughout the remainder of her pregnancy. Psalm 121:7-8

Friday 6 November

As the war between Iran and the US continues, the economic situation in Iraq is becoming increasingly challenging. Many people are facing real concerns about their livelihoods and the rising cost of living. Please pray for God's provision and mercy, especially for those struggling to make ends meet. May He give wisdom, strength and new opportunities to those who are fearful about the future.

Please also pray that God will preserve peace and stability in Iraq and keep the door open for His word to be proclaimed through both *Iraq FM* and local churches. May many people hear and respond to the message of God's love, hope, forgiveness and salvation. Romans 15:13

Saturday 7 November

While the Basra radio station remains closed, the team is seeking support from political leaders to obtain permission to begin broadcasting. Please pray for a breakthrough before the end of the year, so that people in Basra and the surrounding areas can once again hear and respond to the good news of Jesus. Colossians 4:3

8 – 14 November: Kyrgyzstan

Our partner in Kyrgyzstan is reaching people across this predominantly Muslim country with the good news of Jesus Christ. With six FM stations covering most of the country and a vibrant online ministry, they are sharing the gospel in people's native language. In a nation where many people have little opportunity to hear about Jesus, these broadcasts are helping listeners explore the Christian faith and discover more about Him.

Sunday 8 November

ANSWERED PRAYER! We give thanks for Usman*, the Director of Feba's partner in Kyrgyzstan, who recently visited the UK to speak at *The Church Sound and Media Summit* and several churches. Praise God that the trip went really well and people who heard Usman were inspired and wanted to find out more about Feba's ministry. Psalm 105:1

Monday 9 November
Extreme weather has recently caused damage to several key pieces of radio equipment, including one of the stations transmitters. Please pray for safe travel and God's protection for the team as they work on the repairs in remote, hard-to-access areas. Pray that the repairs can be made quickly and easily to minimise any disruption to the broadcasts. Psalm 121:8

Tuesday 10 November
With over 90% of Kyrgyzstan covered by mountains, please pray for the FM broadcasts as they reach listeners in isolated areas. Pray that many more people would tune in, and that God would open their eyes and hearts to the truth of the gospel. Romans 10:17

Wednesday 11 November
Please lift up Elinor*, a listener who tragically lost her son to suicide. Her second son also attempted to take his own life but was thankfully found in time. Elinor reached out to Feba's partner radio station, and they have been walking alongside her through her grief. Praise God that both Elinor and her son have now given their lives to Jesus. Pray for God's continued healing in their lives, and that their new faith would grow deep roots. 2 Corinthians 5:17

Thursday 12 November
Pray for the team in Kyrgyzstan, including the broadcasters, follow-up workers and everyone involved in producing the radio programmes. Ask God to protect, encourage and bless them in both their work and personal lives. Also, please pray for their safety as they travel to distribute solar radios in rural, mountainous areas where the roads can be dangerous. Psalm 90:17

Friday 13 November
The team is looking to expand its work with young people and is considering opening an internet café within their office. The vision is that this would be an accessible, safe place where people can work, socialise and hear about Jesus. Please pray for God's wisdom and discernment as the team explores this exciting new opportunity. James 1:5

Saturday 14 November
A new law in Kyrgyzstan has led to increased scrutiny of Christian organisations, particularly regarding funding received from outside the country. Please pray for God's protection over Feba's partner and that they will be able to continue their ministry with confidence, without fear of opposition arising from these changes. Isaiah 41:10

15 – 21 November: South Asia

Feba's partners in this region produce radio programmes in local languages that reach a diverse audience, including women, young people, and rural communities. These broadcasts share the good news of Jesus in practical ways and encourage listeners to make positive changes in their lives. This week, we're praying for the *Women's Initiative*, which is helping women grow in confidence, faith, and their sense of self-worth.

Sunday 15 November
Please pray for God's guidance for the team as they produce programmes that address some very challenging issues facing women with wisdom, compassion and sensitivity. Many women and girls have been made to feel overlooked and undervalued within their culture simply because of their gender. Pray that families and communities will begin to change the way they think about women and give them the freedom, opportunities and respect they deserve. May every woman who listens to the programmes know that she is deeply loved and valued by God, and that He created her with dignity and purpose. Psalm 139:14

Monday 16 November
Many young girls and women are especially vulnerable to trafficking and exploitation across this region. Please pray for God's protection from those who would do them harm and take advantage of their vulnerability. Lift up in prayer those who have been trafficked, and ask that they would find safety, freedom, healing and people who will stand with them. Psalm 9:9

Tuesday 17 November
Please pray for women who are facing pressure, harassment or violence because of expectations surrounding dowries. Pray that families will have the courage to reject these harmful practices and that communities will understand that a woman's worth should never be measured by the amount of dowry she brings to a marriage. Galatians 5:1

Wednesday 18 November
Many women carry their pain silently. Please pray for those who are struggling with loneliness, depression, anxiety, fear, trauma or hopelessness. Pray that through the *Women's Initiative* programmes, they will know that they are not alone, that they can ask for help, and that they are deeply loved by God, who gives hope for the future. Psalm 94:19

Thursday 19 November
Please pray that through the *Women's Initiative*, women and girls will become more aware of the importance of their health and not neglect their own physical needs. For those who find it difficult to access healthcare, pray that the programmes will help them find the information, support and care they need. 3 John 1:2

Friday 20 November
It is not only women and girls who tune in to these programmes. The programmes are also heard by men, young people, parents and community leaders. Please pray that this ministry will help to bring lasting change in the way people think about, respect and treat women and girls. Romans 12:2

Saturday 21 November
Please pray that God would use the *Women's Initiative* to change lives in ways that are far greater than we could ask or imagine. Pray for all the team, that they would have the resources, encouragement and support they need for the work God has called them to do. Above all, pray that women and girls will experience hope, dignity, healing and safety, and come to a deeper understanding of who they are in God. Ephesians 3:20-21

22 – 30 November: Central Asia

This week we are praying for a project that is reaching a Central Asian tribal group. Our partner broadcasts culturally relevant programmes that explore topics such as family life, health, evangelism and discipleship. Most of the production is carried out in the two countries in this region by native speakers who often work at great personal risk.

Sunday 22 November
ANSWERED PRAYER! Praise God that several new people have joined the follow-up team in a part-time capacity. They have fitted in quickly and are already doing a great job. Feba's partner wishes to thank all their faithful prayer supporters who have been praying for this important need over a long period of time. 1 Thessalonians 5:24

Monday 23 November

The team is receiving encouraging feedback from listeners living in very challenging circumstances. Praise God that this feedback also confirms that more and more listeners are gathering together to listen to the radio broadcasts, either as families or as part of larger groups. Please pray that word about the programmes will continue to spread so that many more people in the Central Asian tribal group are able to hear the good news of Jesus in their heart language. 2 Thessalonians 3:1

Tuesday 24 November

Following the launch of an additional 15-minute broadcast at the end of October, please pray that God will guide those involved as they develop new content for this programme. Pray that it will engage listeners, encourage meaningful conversations, and help many more people hear and respond to the gospel. Psalm 32:8

Wednesday 25 November

Many of the female listeners in the Central Asian tribal group face restrictions in their daily lives and have limited access to basic services, including healthcare and education. Please pray that God will sustain these women through the difficulties they face and help them discover the hope that comes from knowing and following Jesus. Psalm 69:33

Thursday 26 November

Some members of the team have been facing serious security challenges recently. We thank God that He has kept them and their families safe. Please pray for His daily protection over both the production and follow-up teams so they can continue their work without fear of threats or harm. 2 Thessalonians 3:3

Friday 27 November

As the ministry expands, there is an increasing need for more follow-up workers. Please pray for wisdom and discernment as the team explores opportunities with potential candidates. Pray that God will raise up people who are able to listen well, serve faithfully and share the good news of Jesus with others. 2 Timothy 2:2

Saturday 28 November

Rising inflation has left many families in both the countries where the team broadcasts struggling to afford basic necessities. Please pray for those facing financial hardship and uncertainty. Pray that the economic situation will improve and that world leaders will seek peaceful solutions to the huge challenges currently facing our world. 1 Peter 5:7

Sunday 29 November

The political situation between the two countries where the team broadcasts remains volatile. Please pray that the leaders on both sides will act with wisdom and restraint. Pray that tensions will ease and that those in authority will be willing to talk and work towards lasting peace. James 3:18

Monday 30 November

Ongoing conflict continues to bring hardship and uncertainty to many people in the Central Asian tribal group. Please pray for those who have lost loved ones and livelihoods. Pray that the Prince of Peace will bring comfort to those who are suffering, and that many more will come to know Him through the radio broadcasts. 2 Thessalonians 3:16
