

Feba Prayer Focus October 2026

Feba UK is a Christian mission agency focused on the creative use of radio and other audio media to inspire people to follow Jesus Christ. We work with partners across Africa, Asia and the Middle East with a particular focus on contexts that are 'closed' or where it is difficult to be a Christian.

Meet and pray with our partners

Our next monthly online prayer meeting will be on **Wednesday 7th October at 7.00pm.** We look forward to welcoming our partner, *Radio Wimbe*, who will share how God is bringing the hope of the gospel to listeners in their heart language in northern Mozambique through their ministry.

Please do join us! All the information you will need is at www.feba.org.uk/prayermeeting
Alternatively, please call the Feba office for details: 01903 286400

1 – 10 October: Mozambique

Feba's partner, *Radio Wimbe*, is helping to bring positive change in communities around Pemba, Mozambique. The team shares the good news of Jesus with the Makonde, Mwani and Makua ethnic groups through radio, Bible studies and follow-up visits. Many will be hearing gospel programmes on *Radio Wimbe* in their own heart language for the very first time.

Thursday 1 October

Please pray for Farida, *Radio Wimbe's* Station Manager, as she leads the team with a real heart to serve her community. Ask God to give her wisdom in every decision and to protect and strengthen her family. Pray for God's blessing on her marriage and particularly for her husband that he would grow in faith and trust in the Lord. [Proverbs 3:5-6](#)

Friday 2 October

ANSWERED PRAYER! Praise God for the success of *Radio Wimbe's* programme training young people aged 14 to 20 in life and digital skills, including website design. Give thanks that 15 young people have been equipped to identify challenges in their communities and develop practical solutions to issues such as waste management, climate change, human rights and gender equality. Pray that their newly acquired skills will have a lasting impact on their communities. [1 Peter 4:10](#)

Saturday 3 October

Elizeu volunteers at *Radio Wimbe* and helps to share the gospel through the *Disciple Making Movement (DMM)*, which uses *Discovery Bible Studies* to help people deepen their faith and biblical understanding. For several months, Elizeu has been experiencing pain in his leg, which is now making it difficult for him to walk properly. Please ask the Lord to relieve his pain, heal his leg and restore his mobility. [Jeremiah 17:14](#)

Sunday 4 October

Please pray for the *Radio Wimbe* team as they prepare to update the station's registration certificate. Ask God's Spirit to guide them throughout the process. May God grant them favour with the authorities and enable them to complete all the documentation successfully. [Proverbs 16:3](#)

Monday 5 October

The team is exploring a potential partnership that could provide *Radio Wimbe* with a transmission tower. Please pray that God will open doors for this partnership to proceed and that this vital infrastructure will soon be put in place, enabling *Radio Wimbe* to reach more people in the local communities it serves. [Philippians 1:3-5](#)

Tuesday 6 October

Brother Sawege Ibrahim is a *Radio Wimbe* listener who also shares God's word on the station's Mwani-language programmes. He has diabetes and is experiencing serious problems with his legs, while his overall health continues to deteriorate. Please ask the Lord to heal Brother Sawege in Jesus' name. [Isaiah 41:10](#)

Wednesday 7 October

Mozambique is facing fuel shortages, adding to the pressures experienced by many people, especially during this cost of living crisis. Please pray for those who are worried about how they will provide for their families.

We also pray for everyone joining the online prayer meeting this evening. Pray that this will be an encouraging time of fellowship as we hear from Farida, give thanks for *Radio Wimbe*'s ministry and ask for God's blessing on the team. [Philippians 4:19](#)

Please join us at our online prayer meeting at 7pm this evening

Thursday 8 October

As well as sharing the love of Jesus, the programmes on *Radio Wimbe* educate, inform and raise awareness of important health and social issues, including disease prevention. Pray that each broadcast will speak words of life, health and peace to listeners in their heart language. [Proverbs 4:20-22](#)

Friday 9 October

We thank God for the ways He is using *Radio Wimbe* to engage with listeners and encourage interaction. Please pray that more people will have the confidence to participate in programmes by sharing their opinions, joining discussions and debates, and sending in song requests and dedications. Pray that God will continue to use *Radio Wimbe* to build community and cohesion in the region and encourage listeners to follow Jesus. [1 Thessalonians 5:11](#)

Saturday 10 October

Give thanks for the recent visit by Ruth and Neil from Feba UK's International Ministry team to Farida and her colleagues at *Radio Wimbe*. Please pray that the training they provided and the opportunities to build relationships during their visit will bear lasting fruit. [John 15:16-17](#)

11 – 17 October: Nepal

Just as Jesus cared for the whole person, Feba's partners in Nepal seek to follow His example by responding to a wide range of needs. Through *Afno FM*'s partner radio stations, the good news of Jesus is being shared and lives are being transformed in communities across eastern and western Nepal.

Sunday 11 October

Following the devastating flash floods and landslides along the Nepal-Tibet border in late August, please pray for families grieving the loss of loved ones and for everyone affected by this tragedy. Feba's partners report growing discouragement and frustration, with many people struggling emotionally. Thousands have lost their homes, and many children have been left without their parents. Please pray for the ongoing relief effort and for those trying to rebuild their homes, communities and livelihoods. [Psalm 34:18](#)

Monday 12 October

In the aftermath of the floods, *Afno FM*'s partner radio stations are playing a key role in providing listeners with timely and reliable information. Teams from the stations are also offering practical support in affected communities. Please pray for their safety as they travel, particularly where roads and other infrastructure have been damaged. Ask God to enable them reach those who are most in need and to help communities recover from this disaster. [Psalm 121:8](#)

Tuesday 13 October

ANSWERED PRAYER! We rejoice that since *Afno FM* began broadcasting, many listeners have come to faith in Christ through its ministry and the work of the follow-up team. One of these listeners is Lali. During a very difficult time in her life, *Afno FM*'s programmes gave her support and encouragement. Despite facing ridicule from people in her village, she has accepted Christ and become a believer. Her daughter also came to faith two years earlier. Please pray that Lali and her daughter will continue to grow as disciples of Jesus and be witnesses in their community. [Colossians 2:6-7](#)

Wednesday 14 October

Afno FM Okhaldhunga is looking for someone new to join the team after a colleague recently left the station. Please pray that God will call the right person to fill this important role – someone who shares *Afno FM*'s vision and has a heart for its radio ministry. [Matthew 9:38](#)

Thursday 15 October

Please pray that God will provide everything *Afno FM* needs for its ministry in the coming year, including materials and equipment, and people to join the team where their skills are most needed. Pray particularly that the stations will be able to obtain and install equipment to protect them when natural disasters strike and enable them to keep their broadcasts on air. [2 Corinthians 9:8](#)

Friday 16 October

Please pray for Nepal's government and the officials responsible for broadcasting and communications. Ask God to give them wisdom as they make decisions about communications policy, music royalties, licence renewals and other regulatory matters. Pray that *Afno FM*'s partner stations will be able to meet all the necessary requirements and complete everything on time. [1 Timothy 2:1-4](#)

Saturday 17 October

ANSWERED PRAYER! In Dadeldhura, a family affected by disability recently came to faith after listening to *Drishtikon* (meaning 'Perspective') – a programme that focuses on disability and shares gospel messages. Give thanks for this

family and for the team producing the programme. Pray that many more listeners will find hope and come to faith in Christ through this ministry. [Psalm 40:5](#)

18 – 24 October: Northeast Africa

Feba UK partners with a range of media projects across Northeast Africa to produce radio programmes that meet the spiritual, social, and practical needs of listeners, especially in remote communities. This week, our prayers focus on those sharing the good news of Jesus through shortwave radio with the Sparrow people – a largely unreached group whose identity must remain protected for security reasons.

Sunday 18 October

ANSWERED PRAYER! Praise God for the *Sparrow* broadcasts. For many years, the team has faithfully shared the good news of Jesus in the Sparrow language with this largely unreached people group, which is 99.9% Muslim. Give thanks that many Sparrow people have heard God's message of salvation in their own heart language and a number have responded to the invitation to follow Jesus. [Romans 10:17](#)

Monday 19 October

Two full-time producers and several freelancers work on the *Sparrow* broadcasts, sharing the gospel with passion and dedication. Please pray for the team and ask God to protect them and their families. [2 Thessalonians 3:1-2](#)

Tuesday 20 October

Please pray for new believers in the *Sparrow* community who are facing persecution. Many experience rejection by their families, loss of property, physical and emotional abuse, and even loss of their freedom. In a few areas, the persecution has caused some to return to their former religion. Despite these hardships, pray they will keep their eyes fixed on Jesus and remain steadfast in their faith. [Hebrews 12:1-3](#)

Wednesday 21 October

The *Sparrow* people number around 1.3 million. Although Islam is deeply rooted in their culture and identity, there are encouraging signs of spiritual growth, with around 100 house churches now meeting among *Sparrow* communities. Give thanks for these fellowships and pray they will grow in spiritual strength and become places where Christ's love is known and shared. [Ephesians 4:15-16](#)

Thursday 22 October

Many men from the *Sparrow* community travel to cities in search of work. While away from home, they may come into contact with Christians and hear the gospel, but they may also be exposed to extremist Islamic teaching. Please ask God to open their hearts to the good news of Jesus. Pray that those who choose to follow Him will have the courage to share their new-found faith with their families, friends and neighbours. [Ezekiel 36: 25-27](#)

Friday 23 October

Most *Sparrow* families depend on subsistence farming, but there has been very little rain and their crops are struggling. Please ask God to send the rain they desperately need and provide for these families, so that food shortages do not worsen in the coming months. [Psalm 147:8](#)

Saturday 24 October

Conflict between neighbouring clans sometimes spills over into *Sparrow* communities. Please pray that God will bring an end to these disputes and help those involved find ways to live peacefully together. Pray for protection for the *Sparrow* families affected by the conflict and ask God to bring lasting stability and reconciliation to the region.

25 – 31 October: South Asia

Feba's partners in South Asia produce radio programmes in local languages that offer practical teaching, encouragement and gospel messages to women, young people and rural communities. This week, we are praying for the *Youth Project*, which broadcasts through two local radio stations to engage and inspire young people.

Sunday 25 October

We begin this week with thanksgiving. Praise God for the much-needed rain that has fallen across several states. Give thanks for the production team and the shortwave and medium-wave broadcasts that carry life-changing programmes, especially to people living in remote and isolated communities. Thank God for every listener and pray that through these broadcasts and ongoing follow-up, many more young people will open their hearts to Jesus. [Psalm 107:1](#)

Monday 26 October

ANSWERED PRAYER! Praise God for the opportunity to expand the *Youth Project* broadcasts into two new areas. Please pray that many more young people will tune in, hear the good news of Jesus and discover the hope that comes from believing in Him. [Romans 15:13](#)

Tuesday 27 October

Many listeners are struggling to find work after graduating this year. Please ask God to open doors in unexpected places. May He grant them wisdom and patience and help them trust that He has not abandoned them and will provide for their future. [Psalm 9:10](#)

Wednesday 28 October

Please pray for young people who are struggling with their mental health and experiencing suicidal thoughts, and for families and friends grieving the loss of a loved one to suicide. Ask God to use the *Youth Project* programmes and follow-up team to bring hope, encourage open and honest conversations and help young people in distress to find the support they need. [John 1:5](#)

Thursday 29 October

Please pray for Ashwin*, a listener who is the only Christian in his household. He is suffering from severe pain in his left shoulder. Pray that God will bring healing and relief from the pain and strengthen Ashwin's faith as he faces ongoing challenges. [1 Peter 5:10](#)

Friday 30 October

Give thanks for Rohan*, who regularly tells others about the *Youth Project* programmes and encourages them to listen. Please pray that Rohan's father will find freedom from alcohol addiction and that God's peace will fill their home. [John 8:36](#)

Saturday 31 October

We lift up in prayer the young people in communities served by the *Youth Project*. May the Lord protect them from violence, trafficking and exploitation, and from the dangers of substance abuse. Pray also that members of the *Youth Project* team will be alert to signs that a young person is at risk and have the wisdom and discernment to know how best to respond. [Proverbs 2:10-11](#)
