

Feba phone dial-in instructions for monthly online prayer meeting 2026

On the night (always the 1st Wednesday of the month – except for August and January)

Just before 7pm:

1. Using your telephone, start by ringing one of the following 2 numbers. They will both work but 2 are provided for the same meeting in case one is in use and you need to try another line.
 - **0203 481 5237**
 - **0131 460 1196**
2. A voice will then say, **“Welcome to Zoom, please enter your meeting ID number”**. This number is as follows. Enter the 9-digit number on your phone keypad.
 - **Meeting ID: 961 1669 9910**
3. The voice will then either say **“You are now in the meeting”** or it will ask for your personal ID. You do not need one and so press the hash (#) key as the voice suggests.

It should be as simple as that. Once connected you should be able to hear everything that is said. In the few minutes before 7pm, you will hear some music. The meeting will follow (roughly) the pattern of:

- Opening prayer
- Song
- Bible reflection
- Feba project overview 1
- Open prayer time 1 – in breakout rooms
- Feba project overview 2
- Open prayer time 2 – in breakout rooms
- Song
- Open chat/catch up/Q&A
- Closing prayer

The whole meeting will take approximately 50-60 minutes. You can leave (by hanging up) and re-join the meeting at any time. You simply need to repeat the instructions if re-joining. During the meeting, all microphones will be muted except for the speaker/lead singer so don't worry, any noise you make (including singing) will not be heard by anyone. This is except for the time of 'open prayer' in which all participants will be able to pray aloud and be heard by everyone. To unmute you can press *6. The host will manage the breakout rooms so there is no need for you do anything at that point.

In theory, you should just be able to sit back and enjoy the shared time together. You could even put your phone on loudspeaker so you can put the phone down and don't have to hold it to your ear the whole time.

If you have any questions, please don't hesitate to call us beforehand.

We are so grateful for your faithful support for Feba's ministry, and we hope the prayer meetings will be a real blessing to you.
